Item	Discussion	Actions
Home Learning / Homework	<p>There are inconsistencies in terms of homework books, some with sheets which can be lost and torn, while others have a proper Homework Book. Some are more organised and some are less structured. Parents are happy with how the homework is set in Kestrels</p> <p>Homework Club is very good and children get their homework done. Parents are happy with the club.</p> <p>Homework Diary is a good way for communication</p>	<p>Sharing good practice</p> <p>Systemise organisation so that all work is kept together</p>
Transport /parking	<p>Morning seems good, picking up at the end of day is difficult as there are no parking spaces. A car park may be considered by the Parish Council. This is ongoing issue.</p> <p>Blind spots near the War Memorial, it would be good if there is a path to encourage more walking, or a SLOW down sign.</p> <p>Potentially there may be extended bus route with more picking up points.</p>	<p>Shared this with Parish Council</p> <p>Act upon survey results</p> <p>Monitor the situation</p> <p>Put the cones out and reserve parking for the Bus at the end of day</p> <p>Check the restricted time sign over the Stop and Drop Zone</p>
Plans for our new Kitchen/Dining Room	<p>LJE gave some updates on plans for the new and existing buildings. The time is just right for organising more fundraising events to raise money. All agreed to have more cake sales per class. Allocate £50 raised to the class and given the amount of £50 to Bursar for the Class Teachers to use, the rest will go into to the WSLSA pot for school improvement projects e.g. new building.</p> <p>To organise more sponsored events e.g. sponsored Walk, Cash for Coins</p>	<p>WSLSA</p>
AOB	<p>Use of Adventure Playground in summer</p> <p>It will depend on whether the After School Care Club will be up and running then. Will confirm in due course.</p> <p>Tyre Park will be redesigned</p> <p>Parents concerned that the children are coming out late at the end of day, LJE explained that children need to gather their belongings.</p>
