

Waltham St Lawrence Primary School Anti Bullying Charter

Be kind to everyone.

Do not make people feel different if they have a disability or different coloured skin.

Be yourself, believe in yourself -
Do not worry what others think.

Do not say mean things even for a joke.

Ask if you want to borrow other people's things –
do not just take them.

If someone makes a mistake do not laugh at them.

Stand up for the victim and not the bully.

Tell a teacher, adult, sibling, friend or parent
if someone is being mean to you or anyone else.

They will all take it seriously and
do their best to make it better.

“We are a telling school.”
