- Agility
- Balance

Games

- Football
- Netball

How you can support your child at home

- Encourage your child(ren) to say what they did at school today. Ask questions about it to encourage your child to share ideas– what? how? why?
- Practise spellings and times tables at home. Aim for all tables by the end of the year.
- Make sure that your child reads for 10 minutes a day and records it in their diaries. Encourage them to be proud of their homework.
- Talk to the class teacher if you need to.
