English:

Look on **Oak Academy**: <https://classroom.thenational.academy/units/persuasion-why-you-should-never-light-fires-in-a-dry-forest-6fe4> This is the unit called **Persuasion: Why you should never light fires in a dry forest**. This is the beginning of a new, 2-week unit. The lessons are as follows:

Monday - Lesson 1: To listen to a speech and ask questions

Tuesday - Lesson 2: To learn a speech from memory

Wednesday - Lesson 3: To explore persuasive techniques

Thursday - Lesson 4: To use commas to separate items in a list

Friday - Lesson 5: To give personal opinions about what is read (persuasion texts)

Maths: Multiplication and Division

Follow the **White Rose** <https://whiterosemaths.com/homelearning> lessons for the **current week**, watching the daily teaching videos and doing the activities as instructed. If you feel you need something a bit more challenging, look in the Year 2 Scheme of Learning (in the 'Resources' section) and work through the questions in both the 'Varied Fluency' and 'Reasoning and Problem Solving' sections. (Hide the answers to the RPS questions until you have had a go!) I will attach the worksheets that accompany the daily lesson videos.

Monday: Divide by 2

Tuesday: Odd and even numbers

Wednesday: Divide by 5

Thursday: Divide by 10

Friday: **Division assessment**

Topic: Fantasy Islands

Treasure maps!

Can you talk like a pirate? Do you know any phrases that pirates say?

Have you got a **compass** at home? If you have, find out from someone/the internet how to use it to find your way to a certain point. Imagine you have found a treasure map on the island. Draw, in as much detail as you can, how you think it might look. Attached is an **instruction sheet** on 'How to make a treasure Map', but I'm sure you can make yours look even more **real** and exciting. There is also a **ppt** of some brilliant examples.

Music: I Wanna be in a Band (Session 3)

Join us for this energetic session of movement and singing!

Mandarin:

Live session with Miss Wang. Here is the link and password for you to join the class:

Password: Mandarin

Science: Everyday Materials

Printing: I will introduce the afternoon's Science activity – which will involve printing - during the morning's live session. I will send you more information about this on Wednesday (nothing you need to print out). I am sure you will all have some kind of paint in the house; if not, please don't worry.

Art: Colour Chaos

What is a primary colour? What is a secondary colour?

This week you are going to research the artist Mark Rothco. What is his style? Can you do a painting in the style of Rothco? (You should find this one quite easy – you'll see what I mean when you start to look up examples of his work!)

Daily Expectations:

- Read for at least 15 minutes, daily
- Keep your weekly spellings going
Practise your Year 2 Exception word spellings
- Get plenty of daily exercise (start the day with Joe Wicks on Mondays, Wednesdays and Fridays.)
