Also, as you will now be aware, the CBBC channel is broadcasting from 9.00 until 12.00 every day and will include BBC Live Lessons, BBC Bitesize Daily, Our School, Celebrity Supply Teacher, Horrible Histories and Operation Ouch. Bitesize Daily primary will also air daily on the red button as well as episodes being available on demand on iPlayer. I have spent a while going through the videos/lessons and have found many that are very relevant to work that we have either already done or are doing this term. To help you, here is a list of those that I found – not by any means exhaustive!

Science:	Habitats Animals Materials
Geography:	Rivers Oceans The United Kingdom Pirate Bunnies World Adventure
History:	World War 1 Post WW1 World War 2 Post WW2 Themes – War and Peace (class clips)
D&T:	Food – Healthy eating and nutrition
Maths:	Numbers – Addition and Subtraction Multiplication and Division Measurement – Money
English:	(Grammar, Punctuation and Spelling) Grammar Prefixes and suffixes Punctuation Spelling Types of Text – Types of fiction Poems – 5 Class clips

Daily Expectations:

- Read for at least 15 minutes, daily
- Keep your weekly spellings going
Practise your Year 2 Exception word spellings
- Get plenty of daily exercise (start the day with Joe Wicks on Mondays, Wednesdays and Fridays.)
- Do Silent Sitting daily for 5 minutes

Spellings 1/02/21	Words of the Day 1/02/21
cry dry fly try reply July babies families hobbies lorries	Monday – gallery Tuesday – splendid Wednesday – successfully Thursday – inspire Friday – creativity What kind of word is it? What does it mean? Can you think of any synonyms for it? Can you think of any antonyms for it? Can you put it in a sentence? Can you add a suffix to it? What word type is it now? How many words can you make from the letters in it?

English:

Look on **Oak Academy**: <https://classroom.thenational.academy/units/persuasion-why-you-should-never-light-fires-in-a-dry-forest-6fe4> This is the unit called **'Persuasion: Why you should never light fires in a dry forest'**. This is the beginning of a new, 2-week unit. The lessons are as follows:

Monday - Lesson 6: To box up for purpose

Tuesday - Lesson 7: To identify persuasive language features (Read as a Writer)

Wednesday - Lesson 8: To write a persuasive speech (Part 1)

Thursday - Lesson 9: To write a persuasive speech (Part 2)

Friday - Lesson 10: To write a persuasive speech (Part 3)

Maths: Multiplication and Division

Follow the **White Rose** <https://whiterosemaths.com/homelearning> lessons for the **current week**, watching the daily teaching videos and doing the activities as instructed. If you feel you need something a bit more challenging, look in the Year 2 Scheme of Learning (in the 'Resources' section) and work through the questions in both the 'Varied Fluency' and 'Reasoning and Problem Solving' sections. (Hide the answers to the RPS questions until you have had a go!) I will attach the worksheets that accompany the daily lesson videos.

Monday: Make Tally Charts (Activity) – NO SHEET

Tuesday: Make Tally Charts

Wednesday: Draw pictograms (Activity) – NO SHEET

Thursday: Draw pictograms

Friday: Interpret pictograms (1-1)

Topic: Fantasy Islands

Making a desert island.

Now that you have made a treasure map, you are going to make a **treasure island!** You can use anything you want to, to make your model, but it needs to be something that you can get a lot of detail into. Papier mache is a very good way to make your basic island shape as you can shape the ground and have many different levels. When it is dry, you can then paint it and add all the extra bits on, like big rocks and palm trees etc. This will take time to do nicely so I am going to give you the next **2 weeks** to make it. Don't rush to try to finish it in the next few days – there will always be more detail you can add to it! I can't wait to see them – I just know they are going to be fabulous!

Music: I Wanna be in a Band (Session 3)

Join us for this energetic session of movement and singing!

Mandarin:

Live session with Miss Wang. Here is the link and password for you to join the class:

Science: Everyday Materials

Wax resist: If we draw a picture in wax crayon then paint over it, what will happen? Can you remember why?

Practise on a scrap of card or paper to explore the resisting and absorbing qualities of the wax crayon and paint. Draw lines with the wax crayon and then paint over and around those lines, watching the paint being absorbed into the paper but not where the crayon lines are. Then use larger sheets of card or fabric to do your design on. (Sheet will be sent out later.) There are many variations of wax resist painting, some more complex than others. You may want to explore resist printing by spreading a layer of Vaseline onto a sheet of tin foil (as if making an ink pad), carefully press a small object (leaf) into the Vaseline and then print it onto the paper. The Vaseline on the paper should act like wax when paint is applied. This is more advanced than the printing with paint because it requires care when applying both the Vaseline to the object, and then the paint around the Vaseline.

You could try this too: <https://www.theartofed.com/2013/05/24/using-chalk-to-create-vibrant-wax-resist-paintings/> - *Using chalk and oil pastel in wax resist painting;*

Art: Colour Chaos

This week you are going to paint in the style of the artist Paul Klee. We will have a look at a ppt all about the artist and some of his work, in the lesson. (ppt will be sent out later for anyone who can't make the lesson).

Fun and games!
