

Skylarks Class Remote Learning Plan – Term 3

Week 2 W/C 18th January 2021

IMPORTANT INFORMATION

CLASS EMAIL	SkylarksClass@wslprimary.org Some of your tasks will need to be handed in. This can be done by sending them to our class email address. If you have written your work by hand, a photo can be taken and then attached to an email sent to our class email.

REMEMBER

**WRITE AND UNDERLINE L.O. TITLE AND DATE ON EVERY
PIECE OF WRITTEN WORK THAT YOU COMPLETE
MAKE SURE YOUR WORK IS NEATLY PRESENTED**

English

Year 3 and 4
<p>Look at Oak Academy. Click on the pupil button – Then click on key stage 2 – English. Finally, click on the lessons for “The Man on the Moon”.</p> <p>Work through a new lesson each day.</p> <p>You will need Some paper, pencil and ideas.</p> <p>Each day watch the video and then complete the lesson.</p> <p>Monday - Lesson 6 – To write the opening of a narrative. Tuesday - Lesson 7 – To practise and apply knowledge of suffixes Wednesday - Lesson 8 – To plan the build-up of a narrative. Thursday - Lesson 9 – To write a range of sentences to build up the narrative. Friday - Lesson 10 – To write the second part of the build-up.</p> <p>If you would like more work, then look at the English Grammar section – T1 sentence level objectives on the Oak academy site. You could do 1 lesson a day. This has a mix of term 1 objectives that are useful to be revisited.</p> <p>If you need confidence – then use BBC bitesize to back up the grammar expectations.</p>

Maths

Year 3 and 4
<p>Look at Oak Academy. Click on the pupil button – Then click on key stage 2 – Maths – Multiplication and division.</p> <p>Each day watch the video and then complete the lesson.</p> <p>Monday - Lesson 6 – Understand that multiplication and division are inverse operations. Tuesday - Lesson 7 – Using the inverse operations to find missing numbers. Wednesday - Lesson 8 – Recalling multiplication and division facts. Thursday - Lesson 9 – Using factors and products to solve division problems. Friday - Lesson 10 – To consolidate multiplication and division problems.</p> <p>If this work is proving difficult – Look at KS1- Maths – Multiplication and division. This will cover the same work at a simpler level.</p> <p>EXT – Look at the second section on Multiplication and division. This concentrated on multiplying 2 digits by 1 and teaches formats – This is suitable for confident children and year 4</p> <p>For extension – Deriving multiplication and division facts.</p>

Other work to be completed **EVERY DAY**

Times Tables Rockstars (10 minutes daily)	https://trockstars.com/
Reading (At least 15 minutes daily)	Read your book to yourself or practise reading aloud.
P.E. (At least 15 minutes daily)	In your garden, set up an exercise routine that you can repeat each day e.g. star jumps, jogging, press ups etc.
Silent Sitting (5 minutes daily)	https://the-big-think.org/ Have a go at the “Compassionate Cloud” Silent Sitting, free, via the link above (Free Coronavirus Lessons). Find your own Silent Sitting place and resources and practise every day.

TOPIC – The Rainforest

What are the different layers of the Rainforest?

[School Learning Zone - Rainforests \(school-learningzone.co.uk\)](http://school-learningzone.co.uk)

This is a link to a website that gives details of the different layers of a Rainforest.

TASK – Create a power point, poster on Word or a handwritten poster to explain the different layers.

How interesting can you make your presentation?

Remember to watch presentation if you are writing your poster.

Include colours.

Check you have copied spellings correctly.

RE – Christianity

You are going to look at the main beliefs of Christianity.

Look at the power point and then try to create a poster that shows the main beliefs in an interesting way – You could do this on paper, on the computer or can you video yourself showing these beliefs in an interesting way?

Science – States of Matter – Investigating gases

First look at BBC bitesize - [Does gas weigh anything? - KS2 Science - BBC Bitesize](#)

This clip will back up the Power point.

Then look at the power point.

You will need a bottle of fizzy drink – I hope that is ok – and a set of scales.

The idea is to find out how much gas is in the drink. It is a simple experiment. Can you remember to write it up with a method (what you did), result (What happened) and conclusion (what you found out)

Art – Kandinsky and Mondrian – Use online resources – 2 weeks' worth of planning

Look at picture by Kandinsky. What is his style? What do you like about his art?

Your task would be to create a picture in the style of Kandinsky.

Remember to look at the kind of shapes he uses and the colours.

OR

Look at pictures by Mondrian. What is his style? What do you like about his art?

Mondrian has used his art when thinking about New York and maps. Could you create a picture in his style thinking about London?

Look at a map to help you.

Mandarin

We will have weekly lessons at 1.00pm every Thursday via Zoom with Miss Wang. Here is the link for you to join:

<https://us05web.zoom.us/j/89832708457?pwd=MlpGaFA5NG1XMIg3ZVVnMktrTVAxQT09>

Password: Mandarin

Computing - To learn touch typing

Look at 2 type – this will help you with touch typing. Work your way through the exercises on Purple Mash

You can also look at Dance Mat typing on the BBC site.

This will be a continuance from last week's panning.

3 weeks of planning.

PSHE

Look on The Big Think. This term we focus on Truth. Try doing daily Silent Sitting. This will encourage you to feel calm and focused. They change the Silent sitting daily on the Home page.

If you cannot access the site, please look at yoga or meditation sites. These will play calming music and give you the ability to simply sit and relax for 5 minutes.

GAMES

On the school website you will find Movement Monday resources – under the class pages.

Please look at KS2 challenge (1) This outlines 5 activities to try to achieve over the week and weekend. I hope you find this fun.

NB: Please arrange time to do some practical activities in and around the home each week e.g. gardening/ cooking / DIY etc.
