Follow the **White Rose** <https://whiterosemaths.com/homelearning> lessons for the **current week**, watching the daily teaching videos and doing the activities as instructed. If you feel you need something a bit more challenging, look in the Year 2 Scheme of Learning (in the 'Resources' section) and work through the questions in both the 'Varied Fluency' and 'Reasoning and Problem Solving' sections. (Hide the answers to the RPS questions until you have had a go!) I will attach the worksheets that accompany the daily lesson videos.

Science: Everyday Materials

Activity: We will be talking about the **rigidity** of different materials and how this could be tested. At home they will do the 'Bendy, stretchy and rigid' cut and stick activity. After, they will go on to the materials-related 'Escape Room' activity, that I think they will have fun doing!

Art and Games

This week we are looking at using colour in portraits, studying the work of Pablo Picasso. We will look at a PPT of Picasso's portraits during the lesson.

Activity: Choose one of the portraits on the Word document sent out, or find a 'head-shot' photo at home (of you/family/friend or in a magazine) and follow the instructions, to produce a colour portrait.
