Equality and Accessibility Policy

Introduction

This policy reflects the Equality Act 2010 which harmonises and replaces previous legislation including the Race Relations Act 1976, Disability Discrimination Act 1995, Gender Recognition Act 2004 and Sex Discrimination Act 1975.

The Equality Act combines the existing three duties into one new Equality Duty that covers all seven of the equality strands: age, disability, gender, gender- identity, race, religion or belief and sexual orientation. In this school we will ensure that at every level, in all our work and throughout all aspects of the school community and its life, everyone will be treated equally. This Equality Policy summarises the school's approach in ensuring equality for all.

Defining Equality and Diversity

Equality

Equality is about fairness. Equality of opportunity and advancing equality of opportunity involves treating people differently. Some people may need extra help or adjustments to be part of the school community; this includes teachers, administration, cleaning or catering staff employed at the school as well as pupils, parents and school governors.

Relating to the Equality Act (2010) there are nine 'protected characteristics': these are age, disability, gender reassignment [transgender], marriage / civil partnership, pregnancy / maternity, race, religion and belief (and having no belief), sex (gender) and sexual orientation.

Under the general duty schools must exercise 'due regard' in respect of each of the eight protected characteristics (excluding marriage and civil partnership) to:-

1. Eliminate unlawful discrimination and harassment
2. Advance equality of opportunity
3. Foster good relations between different groups

Diversity

Diversity is about valuing people as individuals and learning from our differences. Our differences can be visible and non-visible. Promoting diversity we can meet different needs creatively to ensure opportunities are available to all and potential is fulfilled. Promoting a diversity friendly school culture we are able to meet our school's aims and objectives more efficiently.

Culture is about the way we behave towards one another – school governors, all employees in the school, parents, pupils and the whole school community. It is about how we treat one another and respect our differences. Promoting diversity and a diversity friendly culture helps to create a more productive school community.

Purpose and Scope of the Policy

This policy sets out Waltham St Lawrence Primary School's commitment to promoting equality and diversity. We believe that it is our responsibility to promote equality and diversity wider than the nine characteristics (areas) covered by legislation. We work to remove barriers and we will not unfairly discriminate on any grounds.

We do this by:

- Making appropriate changes to teaching resources.
- Accessing Local Authority Services, such as Ethnic Minority and Traveller Advisory Service, EAL Support specialist teacher advisers, appropriate health professionals from the local NHS Trusts and liaising with other outside agencies.
- Supporting children's emotional needs through ELSA, Behaviour Support Services and Drawing and Talking therapy.
- Taking account of the needs of pupils and visitors with physical difficulties and sensory impairments when planning and undertaking future improvements and refurbishment of the site and premises.
- Providing a curriculum, which promotes positive understanding of different characteristics, recognises the contribution that individuals and groups with protected characteristics make to society, and challenges stereotyping and discrimination.

The policy applies to:

- School Governors
- Staff
- Parents
- Pupils (as appropriate)
- Visitors to the school
- Multiagency Professionals
- Contractors
