

Together We Inspire and Achieve

*Our mission is to provide inspiration and opportunities for all children to achieve their potential and become confident, independent individuals with key skills for lifelong learning*

### **School Improvement Plan (SIP) Priorities for 2024-25**

Our children deserve the best education we can possibly provide - so we are constantly trying to improve. Below is a summary of the areas we are working on to make our school even better. The SIP is produced following consultation with staff and the Governing Board. These priorities are determined by robust and effective School Self Evaluation and external stakeholders' views, such as Ofsted Report, feedback from parents, pupils and analysing our test / assessment data.

#### **Quality of Education**

To develop speaking and language skills and use these to support the improvement of writing standards and attainment in all year groups.

#### **Behaviour and Attitudes**

To ensure all pupils are empowered to take greater control and ownership of all aspects of their education, knowing how to learn effectively and take responsibility for their personal and academic progress

#### **Personal Development**

To support all children to become confident, articulate, resilient and independent; to develop strength of character by applying the school values throughout the curriculum in order to prepare pupils for life as broad-minded British citizens.

#### **Leadership and Management**

To maintain outstanding teaching, ensuring staff's subject knowledge and pedagogical understanding are kept up to date with effective strategies being consistently implemented (Tom Sherrington Walkthrus Project).

#### **Early Years**

To develop communication and language skills and ensure high quality provision in the EYFS

##### **British Values**

Democracy  
The Rule of Law  
Individual Liberty  
Mutual Respect  
Tolerance of Different  
Cultures and Religions

##### **School Values**

Truth  
Love  
Peace  
Responsibility  
Community
